

Protea Safari Tours

Safari tours for 2019

If you're daunted by having too many things to do or have only limited time – like only one lifetime – this must see - must do safari tour is just the place to start.

Southern Africa is home to some of the last true wilderness areas on the planet. This part of the continent offers some of the most spectacular destinations for our clients. Sundowners and safaris go hand-in-hand, and we at Protea Safari Tours provide the perfect locations in Southern Africa for you to toast these sunsets.

Protea's secret season; our safari connoisseurs can enjoy our safaris once the busy season is over, for the peace and tranquillity that we all crave for. That's why we keep our groups small and personalized with 14-16 guests per tour.

The landscapes and wildlife alone are enough to turn you starry-eyed. It's hard to beat the romance of Africa's Wildlife in these pristine wilderness areas. We offer a variety of leisurely self-driving safaris: from self-catering, self-camping tours to fully catered Hotel, Lodge and Guesthouse trips.

Our safari experiences are ideal for nature lovers, photographers or those who simply enjoy spending time in the unspoilt African wilderness. Rest assured that our 4x4 tours are not obstacle courses or endurance tests – we use responsible driving techniques, minimising our impact on the environment. We only make use of well-established campsites that offers clean, well-maintained ablutions and campsites. Our tour fees include all your camping fees, accommodation and park fees, as well as the listed activities.

Our tour guide (Jannie) has 22 years' experience in 4x4 training and the African Outdoors, ensuring that even novice Off-Road drivers and their vehicles are in safe capable hands. Our husband & wife team of Jannie and Ansu Rykaart will be your hosts on all the below tours.
