Protea 4x4 has designed a training course that is aimed at enabling you to make use of your vehicle in the way that it was designed to be used as a fun, exploration tool. Join us for a day at the Rhino & Lion Nature Reserve, Cradle of Humankind, close to Lanseria Airport to learn more about your vehicle.

The 4x4 training course fees will be R2 850 for the driver – group dates below. Should you wish to bring additional guests/children; a cost of R400 per person will apply. Payable in cash on the training day.

The program for the day will be as follows:

09:45 Registration and Welcoming drinks (Coffee/Tea/fruit juice) at the Protea 4x4 training academy.
Theoretical discussion on sound off-road principles and the operation of your vehicle's four-wheel drive systems and traction aids.

Topic's to be covered:

- Suggested recovery equipment and vehicle recovery procedures.
- Vehicle Accessories, Tyre Selection, and suggested tyre pressures to be used for different types of terrain.
- Gear and Line selection in various scenarios including Water fording, Hill descend control, descending and ascents.
- Water-crossing methods, Obstacle crossings, Eco-friendly off-road driving techniques, Basic Wildlife information...
- The operation of Traction Control, Rear diff-lock, Stability Control, Hill descend control, Terrain response...
- Depart on the first part of the 4x4 orientation section.

Break for a light lunch with refreshments (all included)

After lunch we get really get stuck into all the different off-road systems – an off-road game drive – serves to get you accustomed to the way that your vehicle reacts in various natural off-road situations and how to select the correct 4x4 selection for maximum traction and stability. The engaging and the operation of all the four-wheel drive systems and traction aids that your vehicle offers will be practiced during this part of the training course. The aim is to put the morning's theory into practice on a natural off-road trail in the game reserve.

Arrive back at the Protea 4x4 Driver Training Academy; a 3.5 km long eco-friendly/vehicle friendly obstacle course awaits you, simulating most of the off-road conditions to be found. Includes water & mud crossings, balance bridge, ascending & descending sections, rocky sections, cross-axles obstacles, wooden bridges, mini mountain pass and plenty more obstacles to be found in Southern Africa. Designed to practice your newly gained off-road skills and to put your vehicle through its passes.

16h00 End of the day's training course. Handing over of your **Protea Certificate of Competency** – it normally assists you to get a better rate from your short-term insurer. You will also be invited to join us on our monthly off-road tours in Southern Africa.
