Name of Driver _____

Name of Passenger _____

Cell phone _____ I.D. no _____

E-mail _____

Vehicle VIN no: _____ **Registration No:** _____

Salesperson's name at the dealership: _____ Vehicle model name: _____

Protea 4x4 has designed a training course that is aimed at enabling you to make use of your vehicle in the way that it was designed to be used as a fun exploration tool. Join us for a day at the Bothongo Rhino & Lion Nature Reserve, Cradle of Humankind to learn more about your vehicle.

Mahindra BRYANSTON-client – the driver's 4x4 training fees are covered. If not, the cost will be R3 950. Should you wish to bring additional guests/children; a cost of R500 per person will apply. We will forward you a map to the venue with your booking confirmation.

09:45 Registration and Welcoming drinks (Coffee/Tea/fruit juice) at the Protea 4x4 training academy.
Theoretical discussion on sound off-road principles and the operation of your vehicle's four-wheel drive systems and traction aids.

Topic's to be covered:

Suggested recovery equipment and vehicle recovery procedures. Vehicle Accessories, Tyre Selection, and suggested tyre pressures to be used for different types of terrain. Gear and Line selection in various scenarios including Water fording, Hill descend control, descending and ascents. Water-crossing methods, Obstacle crossings, Eco-friendly off-road driving techniques, Basic Wildlife information. The 4High & 4Low range selections.

Depart on the first part of the practical training course before we break for a light lunch with refreshments (all included)

After lunch we get really get stuck into all the different off-road systems – an off-road game drive – serves to get you accustomed to the way that your vehicle reacts in various natural off-road situations and how to select the correct 4x4 selection for maximum traction and stability. The engaging and the operation of all the four-wheel drive systems and traction aids that your vehicle offers will be practiced during this part of the training course. The aim is to put the morning's theory into practice on a natural off-road trail in the game reserve.

Arrive back at the Protea 4x4 Driver Training Academy; a 4km long eco-friendly/vehicle friendly obstacle course awaits you, simulating most of the off-road conditions to be found. Includes water & mud crossings, balance bridge, ascending & descending sections, rocky sections, cross-axles obstacles, wooden bridges, mini mountain pass and plenty more obstacles to be found in Southern Africa. Designed to practice your newly gained off-road skills and to put your vehicle through its paces.

16:00 We end the day with the handing over of the **Protea Certificate of Competency**.
