

4x4 Off-road Driver Training course

Booking Form for a 4x4-Off-Road training course

It is recommended that you book a Protea 4x4 driver training courses to acquaint yourself with your new vehicle's four-wheel drive system as well as an exciting lifestyle that awaits you...

Name of Driver: _____

Names of Passengers: _____

Cell no: _____ I.D. no: _____

Email address: _____

Vehicle make: _____ Registration no: _____ Year Model: _____

Salesperson name: _____ Dealership name: _____

The 4x4 training course fees will be R3 950 for the driver. We also offer personalised 4x4 training courses during weekdays (you can suggest a few dates) at R6 300 per driver. Should you wish to bring additional guests/children; a cost of R500 per person will apply. We will forward you our bank details, and a map to the venue with your booking confirmation.

The program for the day will be as follows:

- 09:45 Registration and Welcoming drinks (Coffee/Tea/fruit juice) at the Protea 4x4 training academy.
Theoretical discussion on sound off-road principles and the operation of your vehicle's four-wheel drive systems and traction aids.
Topic's to be covered:
- Suggested recovery equipment and vehicle recovery procedures. Vehicle Accessories, Tyre Selection, and suggested tyre pressures to be used for different types of terrain. Gear and Line selection in various scenarios including water fording, hill descend control, descending and ascents. Water, sand, rock, mud-crossing methods, Obstacle crossings methods, Eco-friendly off-road driving techniques and Basic Wildlife information. The operation of Traction Control, Stability Control, Hill descend control, Terrain response etc.
 - Depart on the first part of the 4x4 orientation section before we break for a catered light lunch with refreshments (all included)
After lunch we get really get stuck into all the different off-road systems – to get you accustomed to the way that your vehicle reacts in various natural off-road situations, how and when to select the correct 4x4 selection for maximum traction and stability. The engaging and the operation of all the four-wheel drive systems and traction aids that your vehicle offers will be practiced during this part of the training course. The aim is to put the morning's theory into practice on a natural off-road trail in the game reserve.
Arrive back at the Protea 4x4 Driver Training Academy; a 4 km long eco-friendly/vehicle friendly obstacle course awaits you, simulating most of the off-road conditions to be found. Includes water, rock and mud crossings, balance bridge, ascending & descending sections, cross-axles obstacles, wooden bridges, a mini mountain pass and plenty more obstacles to be found in Southern Africa. Designed to practice your newly gained off-road skills and to put your vehicle through its paces.
- 16:00 We end the day with the handing over of the **Protea Certificate of Competency**
